

## Participation Information

For Senior Team and Individual Banners, Parents will pay Chas Mills Productions directly. The Cost is \$50 for the Sitting, Posing, Editing and Design. Parents have the option of paying Chas Mills Productions for the printing or securing Printing on their own. If the Parents elect to have Chas Mills Productions secure printing, then the fee for Printing will be discussed prior to photography sessions and the costs will be divided among the individual participants. Please note that these images may be captured on location (at the School) or at Chas Studios (my garage studio in my home). So, please coordinate and make arrangements in advance. Coaches may be able to help in the coordination of events.

For all other Non-banner Team Photos, Chas Mills Productions does charge a Fee to participate.

Your Athlete can participate in any Team or Individual Portraits conducted at the School at no charge; however, individual and team photos are sold separately at [www.chas.photography/calvary](http://www.chas.photography/calvary). The Standard Photos will include a full or half body, or just a headshot image. These images will be uploaded into the Team Group Section of the website. A general email will be sent to the Coaches and Athletes to make them aware of the upload.

Large Poster Green-screen sessions for non-senior, non-banner images will be conducted **On-Demand** only. I will send an email containing a *Request for Poster Images* prior to each Team Photo Session. If you are interested in having a Large Poster made for your Athlete, then you will need to complete the form and pre-pay for that Poster. Shooting options will be On-location at the School or at Chas Studios. I will not shoot Green Screen Poster Images for your Athlete without the completed *Request for Poster Images* document and the prepaid fee.

Please visit [www.chas.photography/products](http://www.chas.photography/products) to preview samples of the products we offer. When ordering, I have comprised many options into packages in an attempt to make your purchasing experience easier. The most popular package begins at \$24.99. You can mix individual items with packages too. For example, you may want to order the \$24.99 package but add three or four Buttons to your order. Once at my site, peruse some of the other pages for Tutorials and Videos on “how to.”

My storage space is limited; therefore, the Team Galleries will only be available during that season. As the season ends, the galleries will expire making room for the next sport. So, order early!

If you have any questions or concerns, or if you missed the opportunity to order any of last years images, please call me at 912.604.3747 or email me at [legacy1965@gmail.com](mailto:legacy1965@gmail.com)

God Bless and I look forward to a wonderful school year.

## Session Order Form

### Questionnaire

Please Complete the Following for your Athlete:

Name: \_\_\_\_\_

Grade: \_\_\_\_\_
